## PROJECT DETAILS

### PROJECT : : TIC TAC TOE GAME

**Year** : April 2023

**TOOL** : React JS

**Description** : Created a classic Tic Tac Toe game using React JS . The game allows two players to take turns, marking Xs and Os on a responsive grid. Implemented logic for detecting wins, draws, and highlighting the winning combinations.

### PROJECT : RESTAURANT LANDING PAGE

**Year** : June 2023

**TOOL** : React JS

**Description** : A restaurant landing page project using React.js would typically involve creating a visually appealing and interactive webpage that showcases the restaurant's offerings, ambiance, location, contact information, and possibly allows users to make reservations or view the menu.

### PROJECT : ONLINE EDUCATION LANDING PAGE

**Year** : September 2023

**TOOL** : HTML, CSS, Javascript

**Description** : The "Online Education Landing Page" project is a dynamic web platform designed to revolutionize the way individuals access and engage with educational content. Built using HTML, CSS, and JavaScript, this project offers a user-friendly interface where visitors can explore a variety of courses across different disciplines. Featuring modern design elements and responsive layouts, the landing page provides a seamless browsing experience across devices. Users can discover courses tailored to their interests, access detailed course descriptions, and enroll with ease. The integration of JavaScript adds interactivity, allowing for dynamic content updates and smooth navigation.

# ROLES AND RESPONSIBILITIES

- Design and develop visually appealing and responsive user interfaces using HTML, CSS, and JavaScript.
- Utilize and leverage frontend frameworks and libraries, such as Bootstrap, React JS, to enhance code maintainability.
- Work collaboratively with cross-functional teams, including back-end developers and designers, to ensure seamless integration of frontend and backend components.

## PROJECT : PERSONAL PORTFOLIO PAGE

**Year** : January 2024

**TOOL** : HTML, CSS

**Description** : Elevate your online presence with the Personal Portfolio Page – a stylish and responsive showcase of your skills, projects, and achievements. Built using HTML and CSS, this meticulously crafted webpage serves as your digital resume, offering a visually appealing and user-friendly platform for potential employers, clients, or collaborators to explore your professional journey.

## PERSONAL DETAILS

**Languages known** : Tamil , English

**Date of Birth** : 23 -November -1999
